

# TGC 2021 Scholarship Scheme Application Form

V1 – 01-01-2021

The Gliding Centre “Scholarship Scheme” is set up to support young people's flying. It has a “scheme administrator” who is responsible for all aspects of its day to day running. A scholarship provides reduced flying costs to all its participants and is awarded for a 12-month period commencing on 1<sup>st</sup> January each year.

To join the scheme, a commitment to involvement at club level is required. This can be satisfied by the completion of at least 10 “duty days” per year. These duty days could be as part of a standard weekend duty team or service during competition weeks, rope running etc. These would need to be signed off by the “duty team leader” in the applicant's logbook.

Any young person wishing to participate within the “Scholarship Scheme” is required to make a formal application to the club management committee via the office. Acceptance onto the scheme is not automatic and approval is based on a number of factors. Final approval onto the scheme is at the discretion of the club management committee after recommendations from both the CFI and the scholarship administrator.
